Summer Term 2 2026

Welcome back

It's hard to believe we are in the final half term of the year. To look back to September, all of the children have grown and learnt so much. While we only have 7 weeks left, we won't be scrimping on learning and have a jam packed half term ahead before the summer holidays begin.

Year 2 are off to the MK Music Festival, we have our own school Sports Day and the children are all invited to sing at the Cherry Fayre in Olney. On top of that, we have a magic show this week to say thank you for all your fundraising and a whole school trip to Gullivers Land in the last week.

We will be absolutely making the most of the final weeks of this school year with new learning as well as recalling topics from earlier this year and revisiting and practicing skills.

Our value this half term

This term will be teaching the children about the importance of truth and truthfulness. Through actions, stories and discussions we'll be explaining why it's so important to tell the truth. Please do support us by reinforcing this at home.

This terms topic: Oceans and Seas

We will be learning all about the Oceans and seas this half term. Be it writing postcards or retelling stories about the sea in English, making clay sea rocks in Art or learning about the Great Explorers Grace Darling and Christopher Columbus in History – there is a lot of exciting things that we will be covering.

In Robins they are off to the seaside, writing about the beach, creating art for their seaside display and finding out about what the seaside is like now and when their grandparents were young.

Staying Safe

In PSHE we will be focusing on how the children can stay safe online by focussing on age-appropriate games and apps so children know which games are suitable and why.

Later in the half-term lessons will explore changes at school and transition in and across schools so children feel prepared for moving on.

End of Year Reporting

Thank you for taking the time to respond to our recent consultation on how we report to you at the end of the academic year. We are looking forward to an extra parent/teacher meeting at the end of this term to discuss your child's year in school together with a new and concise written report.

Health and Fitness Week

Thank you for supporting this important week in school and taking part in some of the morning challenges. We had a great time enjoying Zumba, a village ramble, a sports festival and a trip for EY to Emberton Park. We also thought of ways to spread a little kindness with our lovely bright smiles. Definitely a great way to end a busy term.

Sports Day Sports Day will be taking place on the school field on Friday 10th July at 9am. The morning will begin with team activities using the skills learnt and practiced in PE this year and finish with some races. PFTA have kindly agreed to run a refreshment stall so please bring a picnic blanket, outdoor chairs and the family to cheer us on!

Cherry Fayre

We hope you can join us to sing together, 12.30pm at The Glebe, Olney for this summer tradition. The VSF will also run a toy and book stall to support our link school in Newton, Sierra Leone. Please bring any donations in to school.

Sunny Days

With the sun making a more regular appearance, please don't forget to send the children into school with sun cream already applied, a hat and a fresh water bottle.

Clubs

Our clubs are remaining predominantly the same this half term but look out for a change in September....

Monday: Clay with Jo and Art with Mrs Williams

Tuesday: Tennis with Sam

Wednesday: Active Maths with Mrs Mohammed

Thursday: Football club with Chris

Dates for your diary

- School Photos – **Friday 5th June**
- Yr1 Phonics Screening week – **w/c 8th June**
- CMK Music festival (yr2) - **Wednesday 17th June**

- Trip to Gulliver's Land – **Wednesday 15th July**
- Leaver's Assembly – **Thursday 16th July @2pm**
- End of term – **Friday 17th July @ 1pm**

A note from Mrs Wallace

This half term is always an emotional one. Not only is it the end of a long school year, but it is also always hard to say goodbye to our children and families as they move on to pastures new. Thank you for all your help and support, our village schools thrive because of the support of parents – be it through fundraising efforts, talks to widen the children's horizons or supporting visits. We couldn't do it without you and it makes a world of difference to the children.

Our values provide our children in good stead for life beyond school, creating an understanding of core principles. This half term our value is truth and truthfulness and we will be focusing on this through stories and interactions.

We wish our children moving on to new schools in September the very best of luck. We will miss you but hope the solid and caring foundation the VSF has provided you will remain with you for life. You will always be greeted back warmly.
